

NOVEMBER

Mrs. Brockelsby's 3-4 year old class

NOVEMBER is a busy month with the change of seasons and approaching holidays. We begin to count our many blessings and to share our many gifts with those less fortunate. We will join St. Philip's Church in their annual food collection for Feed My People. We ask that you help your child choose a couple of canned goods, boxed food, or paper products to bring to class the week of November 7th.

READINESS – Shapes will take center stage this month and we will be looking for circles, squares, triangles and rectangles in our classroom.

FINE MOTOR SKILLS – We are cutting with scissors, coloring and using pencils.

GROSS MOTOR SKILLS – We will continue to play outside so long as the weather holds. (Please remember to send a jacket with your child.)

LANGUAGE – We will be learning some funny new songs about turkeys.

SEASONAL - We will be having a Pilgrim and Native American Day on November 16th and 17th. The children will be involved in six learning centers that will give them a taste of life in early America. More details will be coming home soon.

Santa's House Field Trip will be on Thursday, December 1st for all classes.

*****NO PRESCHOOL 3 CLASS*****

Wednesday, November 23rd - Thanksgiving

Wednesday, November 31st – Santa House Field Trip Dec.1st
