

PRESCHOOL PRESS - SEPTEMBER 2011
Linda Kammerer 4 and 5 year olds

Welcome to a new Preschool year! We have been busy organizing our classroom and creating curriculum. Now we're ready for your little ones to join us for an exciting September!

September is **All About Me!** We'll start out the month talking about what we were like as babies and what we are like now. We'll talk about and illustrate our feelings, our favorite things, what we like to do, our friends, our families and what kind of pet we would choose if we could choose **any** animal in the world!

Our first book of the year, titled **All About Me!** will be written and illustrated by your child. Watch for it coming home in late September or early October.

Fine Motor Skills - Cutting, gluing, coloring, drawing, sticking stickers, and illustrating.

Gross Motor Skills - Fun on the playground!

Class Photos - Class and individual photos will be taken **Mon., Sept. 19 and Tues., Sept. 20.**

Don't Forget - Folders go in the folder holder outside our door. Please bring folders every class day! If you have **not** given me your email address and you would like to receive Preschool email reminders and updates, please see me or drop a note in your child's folder and I'll be happy to add your email address to my list!

We're looking forward to a terrific school year with you and your child!
