

The Treasure Seekers Times

Friday, August 4th

**As reported by the Archeologists (4th-6th grade)
(Alex, Bayleigh, Jo, Rachel, and Scott)**

Today's theme was: "God is with you". Dig it !!!

God is always with us – with everyone always in all situations like when someone is sick, when you're afraid or worried about something, when you have to start a new school or move to a new house, when you're happy and when you're sad. God keeps us pointing in the right way just like a compass keeps us going in the right direction.

The special treasure today was a big compass. It was found by Monica Meyers and Moira Healy (the Diggers group from the daycare center), and Monica and Moira got to put it on the Promise Point wall in the front of the sanctuary at our closing.

Thanks to all of the volunteers who helped with snacks, games, crafts, teaching, Mission Tel, Bible Stories, digging, and the group leaders! Also to Mr. Bob, our webmaster who put our information on the website each night!

Thanks for all of the kids coming to VBS this week! Everyone is invited to come be part of our church service this Sunday morning at 9:30 a.m. – Dr. Zig and Professor Whooo will be there, we will sing some of our VBS songs, and have punch and cookies afterward! There will be more pictures on the website from the church service.
