

Dear Parent (s),

3 June 2013

Some of you may already be aware that St. Philip's ECC has a Facebook page. This year, I am putting forth an effort to use electronic communication to share information more effectively with our families. We will post our newsletters and monthly menus on our Facebook page as well as any upcoming important news or events. In addition, I will be featuring occasional photos from all of our classrooms on the page so our teachers can keep you connected by sharing images from special events and activities that happen during the day.

To find us on Facebook, search "St. Philips Early Childhood Center" or visit our homepage at <http://www.stphilipsucc.com/StPhilipsECC>, click "Early Childhood Center", and then click the Facebook link at the top of the homepage or go directly to <http://www.facebook.com/StPhilipsECC>. This link will also allow potential new families to learn more about our center.

Below, you will be asked to permission to include your child's photo on the page. To protect our students' privacy, your child's name will never be mentioned on the Internet. For example, we may take a picture of a class doing a project or going on a field trip. If you have any questions about electronic communication use at St. Philip's ECC, please feel free to contact us at any time.

Please indicated whether or not you want your child a part of the St. Philip's ECC page:

I, _____, **do** give permission for St. Philip's ECC to include my child's photograph on their Facebook page.

I, _____, **do NOT** give St. Philip's ECC permission to include my child's photograph on their Facebook page.

Child's Name _____ Classroom _____

Parent Signature _____ Date _____

Thank you,

Megan Dowding

Director
