

Media Release Form

St. Philip's ECC is proud to promote the success of our students, staff and program. These accomplishments may draw the attention of newspapers, television stations and other media who visit our schools to photograph, film and identify students and staff during various activities.

St. Philip's ECC itself also uses images and video clips of students in materials such as website content and postings to official social media platforms.

To grant St. Philip's ECC and those acting under its permission the ability to feature your child, please complete this Media Release Form. If St. Philip's ECC does not receive this form, your student will NOT BE included in materials for public promotion.

A separate signature form is required for each child at St. Philip's ECC. Please sign below and return this form.
