EVENTS

Dr. Lang Visit

Dr. Lang visits St. Philip's every year to talk to the children about how to keep their teeth healthy. We will also be doing activities about Dental Health on the 5th.

Happy Birthday!

We would like to wish Ike (6th), Josie (20), and Emma (25th) a very Happy Birthday this month.

Valentine Party

Our Valentine Party will be on Friday Feb. 14th. Please bring in a decorated box for your child's valentines. If you need another class list, please let me know.
