Dear Friends:

This is to express our appreciation to you for your recent contribution of \$920.00. Your support will assist us in providing much needed food to over 1000 families each month as we face the coming weeks and months in the midst of COVID-19.

We are learning that many other food pantries have closed their doors in the midst of this pandemic thereby limiting access to healthy food. Unfortunately, while access has become increasingly limited, the needs of our current patrons as well as the larger community have grown. Your support is allowing us to continue to provide these much needed resources to our most vulnerable population.

In the coming months, we hope you are continually moved to intentional acts of kindness to those within our community. Remember, maintaining a safe physical distance from others does not prohibit you from sharing your love and concern for your neighbors. May your love reach beyond the divides, to fill this world with comfort and care during this time.

As we continue to develop meaningful ways to reach those in need within our community, we celebrate your commitment to Isaiah 58 Ministries and we gain renewed energy to continue our ministry to others.

Again, thank you, and we pray God blesses you in your response to people in need.

Sincerely,
