

# November 2023 Preschool Press

## Preschool 4s

### What Are We Learning?

**Literacy:** We will review the letters H, I, & J this month. The children will be doing our Zoophonics with hammering letter H words. We will also be story sequencing “There Was An Old Lady Who Swallowed A Bell.

**Math:** The children will make shape stables for horses, count beads while making an inchworm, and graph jellybeans. We will also measure thanksgiving items.

**Physical:** For fine motor, we will transfer honeycombs with tweezers, lace an inchworm, and write with feathers. For gross motor, the children will hammer the letter H, play hopscotch outside, and dance with jingle bells.

**Science:** We will make hearts on the light table, and make Ten Frames with ice cream. We will also explore with Jello in sensory bags.

**Social/Emotional:** The children will play “Who Am I?” with farm animals, graph their favorite ice cream. For Thanksgiving we will play “Yes Please, No Thank You” to review our manners and talk about the different foods we eat on Thanksgiving.
