

February 2024

Preschool Press

Preschool 39

What Are We Learning?

- Literacy:** We will learn about the letters Q, R, and S, with Zoophonics. We will meet Queeny the Quail, Robbie the Rabbit, and Sammy the Snake. We will continue to review all the letters we have learned this year as well.
- Math:** The children will start the month making heart patterns and graphing conversation hearts. We will also count snakes and coins, and complete 10 frames with rainbows.
- Physical:** For Fine Motor we will lace hearts, stack hearts, make tigers with playdough, and write in sand. For Gross Motor the children will practice flossing with our bodies, play musical hearts, and jump on a rainbow.
- Science:** The children will sort hearts on the light table, look at quartz with magnify glasses, and write names in rainbow rice. We will also explore with snakes in a sensory bin.
- Social/Emotional:** The children will talk about healthy dental tips, exchange valentines, hop on a rabbit number line, and guess if items will sink or float.

Important Dates

- Feb. 6th – Dr. Lang Visits
- Feb. 13th – Valentine Exchange

A Note From Mrs. Julie

I hope everyone has a great Valentine's day with your loved ones!

If you have any questions, please don't hesitate to call or email at any time.
