What Are We Learning?

Literacy: We will review the letters Q, R, and S this month. We will be reading “The Runaway Heart”, and “Silly Sally”. We will also read “The Cat in the Hat” and “Green Eggs and Ham”.

Math: The children will start the month counting hearts and graphing conversation hearts. We will also make rubber band shapes, sort coins, and write numbers in rice.

Physical: For fine motor, we will lace hearts, paint with Q-Tips, make quarter rubbings, and paint tigers. For gross motor, the children will exercise, play Musical Hearts, and toss balloons in the Cat’s hat.

Science: The children will use conversation hearts for a STEM activity, use pipettes to make green fizzy eggs, make ducks Quack in a duck pond, and experiment with Fizzy Green Eggs.
